Board Games & Puzzles

Chilly weather means cozy days inside. Pass the time with board games and jigsaw puzzles checked out from the library.

Silent Book Club

Silent Book Club is about community: hanging out together, reading a book, having a snack, and sharing what you're reading with others. There's no pressure to read the same thing as everyone else; instead, you share what you're already reading and learn a little about what others are reading. Leave the distractions at home and join us every 3rd Monday at 7 p.m. starting October 21.

Library Fun

Everyday is a fun day at the library with on-going activities in our MakerSpace and playtime in the children's area.
